

**Do you have someone you would like to honor or remember with a special and unique gift?**

**A donation to California Creativity may be the perfect answer for you.**

The California Creativity Association is a non-profit corporation, which offers creative problem solving programs within the state, and funds Scholarships for Post-Secondary students. California Creativity is operated entirely by Volunteers. All fees collected and money donated is used to directly fund the program. Additional information about our programs can be found at [www.californiacreativity.org](http://www.californiacreativity.org).

In order to expand our program and support more students, we need your assistance. Would you please consider making a tax deductible donation to support our Scholarships, General Program Fund, or a Regional Operating Committee Fund?

Donations may be made by anyone at any time, in Memory or Honor of a friend or family member. Friends, family members, or designated family will receive a special card acknowledging your generosity to our program. Donors and Honorees will also be recognized in our State Tournament Program each year.

Donations should be sent along with the donation form below to our State Treasurer, Lisa Phillips at 2107 Bunker View Way, Oceanside, CA 92056.

# California Creativity Donations

Donor Name \_\_\_\_\_

Address \_\_\_\_\_

\_\_\_\_\_

Phone Number \_\_\_\_\_

\_\_\_\_\_ would like to donate \$ \_\_\_\_\_ in
